EDUCATION

Bachelor of Engineering, Computer Science JSS Science and Technology University	8.29 CGPA 2021-2025
Pre University Degree, PCMB Base PU College	96.5% 2019 - 2021
SSLC Carmel English School	94.08% 2009 - 2019

SKILLS

Programming Languages	C, C++ , Python
Frontend Development	HTML, CSS, JavaScript, ReactJS
Backend Development	NodeJS, ExpressJS
Databases	MongoDB, MySQL
Others	Linux, Git and Github, Socket.IO, Redux-toolkit

PROJECTS

JobZeal - Job Portal Application | *MongoDB, Express, React, Node.js* [Github](#)

- Implemented role-based access control, enabling job seekers to apply for jobs and employers to dynamically manage listings.
- Enabled employers to update the application status to shortlisted or rejected, which is also reflected on the job seeker's profile page.
- Established secure authentication and authorization with *JWT*, including cookie handling for user sessions.
- Integrated *Nodemailer* for email notifications and *Cloudinary* for resume storage.

CMS - College Management Site | *MySQL, EJS, Node.js, Express, Bootstrap* [Github](#)

- Implemented role-based access control with three roles: Admin, Staff, and Student.
- Integrated a comprehensive dashboard for each role, secured with *JWT* authentication for enhanced security.
- Admins can manage departments, courses, classes, timetables, fees, and view/edit student and staff details.
- Staff can manage attendance, assignments, and view class timetables, while students can submit assignments, view submissions, track attendance, and review fee history.

QuickChat - Chat Application | *React, Node.js, Express, MongoDB, SocketIO, Redux-toolkit, Bootstrap* [Github](#)

- Implemented real-time chatting functionality using *Socket.IO*, ensuring seamless and immediate message delivery.
- Integrated group chat feature, allowing users to create and join chat groups for collaborative conversations.
- Incorporated real-time notifications to alert users of new messages, enhancing user engagement and interaction.
- Developed a secure authentication system with login and signup modules, enabling user account management and access control.

ADDITIONAL INFORMATION

Extra-Curricular Activities: Volunteered in fests held in my University.

Languages: English, Kannada, Hindi.

Hobbies: Photography, Editing, Cricket.
